25X1

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

*NO* a. Headquarter's Barricades: The barricades that are installed at the various entrances to the Agency compound continue to be plagued with electrical problems. Efforts are underway to solve these problems as quickly as possible so that the barricades can be made operational. [redacted] 25X1

*yes* b. Status of DCI's New Vehicle: The new Buick Electra Limited which was procured before the end of FY-84 for the DCI, was recently returned to the Contractor [redacted] for painting. The light blue metallic exterior color was changed to a dark blue/black. The General Procurement Branch (OL/PD/GPB) still awaits information on which contractors are able to perform the vehicle armoring in concurrence with the Office of Security's strict specifications. The bullet-resistant glass which was also ordered prior to 30 September 1984, will be delivered by 14 December 1984 for installation by the motor pool staff. [redacted] 25X1

*NO* c. GSI Services Contract: During the period 31 October through 14 November, a representative of Productions & Services Branch, (P&SCB/PD/OL) has been discussing the implementation of FAR contracting with the contracting officer at [redacted] and representatives of the [redacted] Specifically targeted for this activity is the [redacted] Janitorial Services contract. Both facilities have received letter contracts, along with a descriptive contract, for submission to GSI for execution. The Agency representatives are being totally briefed on the differences between the FY-84 and FY-85 contracts and the implementation of FAR. Follow-up meetings are planned. [redacted] 25X1

3. Significant Events Anticipated During the Coming Week:

None
